

Wednesday 1st March 2018

Dear Parents and Carers,

It comes with great surprise that I am writing a snow letter on the 1st day of spring; however, we do live in England and, as we all know, the weather in our country is far from predictable.

The decision to close a school is not taken lightly but safety considerations are paramount: children must be able to travel to and from school safely, the conditions of the site must be free from weather hazards that risk causing injury and sufficient numbers of staff must be able to attend in order to teach and supervise the children.

Over the past two days, we have made the difficult decision to remain open with the option to collect children early due to deteriorating conditions. This has hopefully helped with childcare arrangements at home whilst obviously allowing us to teach your children.

Regretfully, however, after careful consideration, taking into account weather forecasts and parents' concerns, we have decided to close tomorrow – Friday 2nd March 2018. We hope by informing you now that we will minimise the inconvenience caused, enabling you to have as much time as possible to make the necessary arrangements.

We are planning to be open as usual on Monday; however, we will keep you informed via text, Twitter and our website.

Thank you for your continued support,

Kind regards,

Mr Sweetingham
Headteacher
