## Reading books: safety procedures

- Wash hands before taking books from book bags (*child and adult*).
- Remind children not to touch faces whilst reading.
- If adult/child touches face whilst reading, immediately stop and wash hands.
- Have tissues on hand!
- “Catch it, bin it, wash hands” if adult/child coughs or sneezes whilst reading.
- Wipe book cover gently with antibacterial wipe after reading.
- Store reading books in book bag in between reading sessions.
- Wash hands again after putting books away in bag.
- Wipe inside and outside of bookbags with antibacterial wipes once a week.
