Autumn Term 2 – Friday 6th December 2019

HEALTHY SCHOOLS LONDON

CHALLENGE PARTNERS

Song of the week

We will continue to focus on our Cinderella Song:

Cinderella, very sad,
Her step-mom was mean
and mad.
Cleaning house from
morn till night,
Not a speck of
dust in sight.
Will her Prince ever
appear?
Yes, he's got her
shoe right here!

We will continue our focus on the story of Cinderella in preparation for our theatre trip at the Arts Depot on 12th December.

Next week we will also be...

... continuing last week's tasks, having been focusing on our Nativity performance. We will be ...

Maths – measuring our feet using a variety of resources. How many cubes long is Mrs Panteli's foot?

Writing – writing invitations to invite people to the ball. What will you wear?

Phonics – focusing on revising all phase 2 sounds. Can you spot any of these words in your environment?

Understanding of the World – exploring different castles and palaces. Who lives in a palace? Where is there a palace in London?

Outdoor learning – hiding Cinderella's glass shoes outside, the children will work as a team to find them. How many glass shoes have we found?

Physical Development – focusing on team games using the skill of hopping. How can we help our team get more bean bags in the hoop?

Religious Education

As we are in the season of Advent, we will be focusing our learning on this and why Christmas is important to Christians.

Extras

Thank you for supplying your child with such fabulous costumes for the Nativity performance; they all looked amazing as we are sure you will agree!

As you are aware, there are many runny noses and coughs around and we have lots of children with colds. Any donations of tissues would be welcome.
