

# St. John's Foundation Stage News

Autumn Term 1 – Friday 20<sup>th</sup> September 2019

HEALTHY SCHOOLS LONDON

CHALLENGE PARTNERS

## Song of the week

*I can see a rainbow fish (to the tune of 'I can sing a rainbow')*

Red and yellow and pink and green,  
And every colour in between.

I can see a Rainbow Fish, see a Rainbow Fish,  
Rainbow Fish is seen.

## Book of the week

This is a wonderful story of sharing with each other and realising the worth of true friendship.

## Religious Education

We will continue our focus on Respect. How do we respect other people? What makes us show respect? The children will continue to produce their art work for their class Respect display.

## Extras

A few reminders this week! The weather is currently quite changeable and we should be grateful if you would ensure that your child has a coat with them daily. Reception children will also need to bring their book bags daily. Donations of tissues are very welcome as we seem to have lots of runny noses!

We thank you for your donations of crackers and bread sticks; the children are enjoying these as part of their snack time.

## Next week we will also be...

**Maths** – focusing on number recognition. Can we catch the fish and the number in the sea?

**Writing** – sequencing the story of the Rainbow Fish and retelling it in our own words. Can we use pictures from the story to help us?

Can we write our names with support? Can we explore cursive script?

**Phonics** – focusing on assessing knowledge of initial sounds and carrying out various activities on the following sounds: s,a,t,p.

**Finger gym** –practising our cutting skills and learning to cut around and along different lines.

**Creative** – using our fingers to print scales on fish to make a display of the Rainbow Fish.

**Outdoor learning** – focusing on movement and physical development with the use of the climbing frame and the balance bikes.
