

# St. John's Foundation Stage News

Autumn Term 2 – Friday 22<sup>nd</sup> November 2019

HEALTHY SCHOOLS LONDON

CHALLENGE PARTNERS

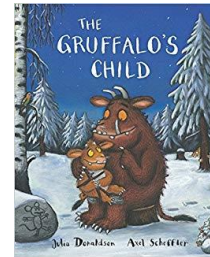

## Song of the week

We will be focusing on practising our Nativity songs.

We will also be continuing to sing The Gruffalo song (to the tune of Wind the Bobbin Up):

Find the Gruffalo,  
Find the Gruffalo,  
Quick, quick,  
Here he comes.

Hide in the log pile,  
Hide underground,  
Hide in a tree,  
Up where you can't be found.  
Let's all count together 1,2,3  
Phew he's gone and didn't find me.

We will focus on the story of The Gruffalo's Child - a continuation of The Gruffalo.

## Next week we will also be...

**Maths** – separating leaves into different categories. Which leaves are small/ large/ green/ gold/ orange?

**Writing** – writing about the adventures of The Gruffalo and The Gruffalo's Child. Do you think the Gruffalo's Child should be scared of the big bad mouse?

**Phonics** – focusing on the following sounds: **h, b, f, ff, l, ll, ss**. Can you spot any of these words in your environment?

**Creative** – creating our head dress for our nativity performance.

**Outdoor learning** – exploring frozen objects. What can we observe? How can we describe what we can see and feel?

**Physical Development** – We will be focusing on moving and handling. Can I catch a large ball and throw it back?

## Religious Education

We will continue learning about the birth of Jesus. We will be discuss how this baby was going to make the world a better place and how Mary felt about being the mother of Jesus.

## Extras

For the next fortnight in Computing the children have been looking at the features of The Gruffalo and drawing them on Purple Mash.
