

# St. John's Foundation Stage News

Summer Term 1 – Friday 28<sup>th</sup> April 2017

HEALTHY SCHOOLS LONDON

CHALLENGE PARTNERS

## Song of the week

*(Sing to the tune of 'London Bridge is Falling Down')*

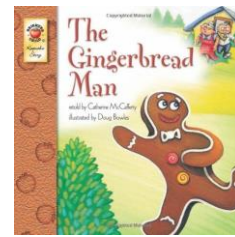

Gingerbread Man on the run,  
on the run, on the run.  
Gingerbread Man on the run;  
Let's all chase him.

Gingerbread Man cannot swim,  
Cannot swim, cannot swim.  
Gingerbread Man cannot swim;  
What will he do?

*We hope you enjoy singing this at home with your child!*

## Book of the week

We will be learning about the story 'The Gingerbread Man'. This is a great text for story sequencing.

## Next week we will also be...

**Maths** – We will be learning about symmetry. We will complete a picture by drawing the other half using reflective symmetry.

We will do addition and subtraction activities.

**Writing** – We will be writing reports in the role of the fox from the story of the Gingerbread Man. Can you guide your child to retell the story?

We will use story sequencing cards to support our role play and help us retell the story.

**Finger gym** – We will be using playdough to make parts of the story. We will practise using different tools to support us.

**Creative** – We will be using collage to create our own gingerbread men. We will use drawing, cutting and sticking skills.

**Outdoors** – We will be focusing on team games and following instructions. How do we make sure we play gently with our friends when participating in physical activities?

## Religious Education

**We will be learning about the Christian story of Creation. Can we place what happened on each day in order? Can we write about how God created the world?**

## Extras

We still need donations of multi-purpose soil to help create our new growing area. We have only received 3 bags so far and need lots more. Please support us!
