

# St. John's Foundation Stage News

Summer Term 1 – Friday 12<sup>th</sup> May 2017

HEALTHY SCHOOLS LONDON

## Song of the week

*(Sing to the tune of 'Heads, shoulders, knees and toes')*

Sprouts, carrots, peas and beans,  
Peas and beans,  
Sprouts, carrots, peas and beans, peas  
and beans,  
And onions and corn and potatoes too,  
Sprouts, carrots, peas and beans,  
Peas and beans!

**We hope you enjoy singing this at home with your child!**

## Book of the week

We will be focusing on the book 'Oliver's Vegetables'. This will link well with our theme of growing and enable the children to learn more about where our food comes from.

## Next week we will also be...

**Maths** – We will be focusing on writing numbers in a creative way!

**Writing** – We will be focusing on non-fiction writing. We will be learning to create factual booklets with information about the vegetables and herbs we are growing.

**Finger gym** – We will be using tweezers to hunt for all the hidden gems in plant pots. Can we challenge ourselves to collect as many as we can in a given time?

**Creative** – We will be making drawings to record our plants growth. What do we notice from day to day? Do you grow any food produce at home?

**Outdoors** – We will be setting up circuit stations of different physical activities.

We will be focusing on ball skills and co-ordination. Reception's PE lesson will take place on Wednesday afternoon.

## Religious Education

**We will be learning about how we care for the world God gave us. How can we work together to make sure we treat our planet kindly? What part of God's creation is most important to you?**

## Extras

**Thank you so much for all donations of compost - we could still do with a few more bags so please keep them coming! Please ensure Nursery children have sufficient spare clothes with them in school.**
