

St. John's Foundation Stage News

Summer Term 1 – Friday 19th May 2017

HEALTHY SCHOOLS LONDON

Song of the week

(Sing to the tune of 'Jelly On a Plate')

*Beanstalk growing tall,
Beanstalk growing tall.
Swishy, swashy, swishy, swashy,
Beanstalk growing tall.*

There are two verses to this song.

We hope you enjoy singing this at home with your child!

Book of the week

We will be continuing to focus on the book 'Oliver's Vegetables'. The children will learn about maintaining a healthy balanced diet and where our food comes from.

Next week we will also be...

Maths – We will be focusing on creating our own patterns using 2-d shapes. How do we name simple 2-d shapes?

Writing – We will be making observations of our plants and writing about what we see.

Finger gym – We will be creating our own patterns using cubes and pegs. Can we make a repeated pattern?

Creative – We will be using fruits and vegetables to make printed patterns using paint.

Outdoors – We will be practising our bat and ball skills. Can we use a tennis racket to aim a ball at a target?

We will be focusing on bat and ball skills and co-ordination.

Reception's PE lesson will take place on Wednesday afternoon.

Religious Education

We will be learning about caring for each other. How does the story of the Good Samaritan help us learn how to treat others? Can we think about how we help the people we love and how they help us?

Extras

The weather is very changeable at the moment so please ensure your child has a waterproof coat with them each day. Reception class have to walk to the main building for lunch come rain or shine!
