## Song of the week

Oh! I do like to be beside the seaside  
I do like to be beside the sea!  
I do like to stroll upon the Prom, Prom,  
Prom!

Where the brass bands play: "Tiddely-om-  
pom-pom!"

So just let me be beside the seaside  
I'll be beside myself with glee  
For there's lots of girls besides,  
I should like to be beside  
Beside the seaside! Beside the sea!

*We hope you enjoy singing this at  
home with your child!*

## Book of the week

We will be focusing on the book 'Billy's Bucket'. Billy thinks long and hard about what he wants for his birthday - a bucket, but it's a very special bucket!

## Next week we will also be...

**Maths** – We will be focusing on addition. Can we add together groups of sea creatures? How many do we have altogether?

**Writing** – We will be thinking about what we would put in our own special bucket. What is your most prized possession?

**Finger gym** – We will be creating sea objects using playdough. We will also be searching for objects hidden in the sand.

**Creative** – We will be painting with a mixture of sand and paint. Can we create a sea scene or paint our favourite sea creature?

**Outdoors** – We will be engaging in seaside games. This will include flying kites, throwing frisbees and building sandcastles.

Reception's PE session will take place on Wednesday. Please ensure your child comes to school in appropriate school uniform.

## Religious Education

**We will be learning about thankfulness. What are the things in our lives that we are thankful for? How do we show we are thankful to those around us?**

## Extras

**Many girls have started to wear shorts or leggings underneath their summer dresses. Whilst we understand this is to maintain their modesty, these should not be visible below their dresses.**
