

# St. John's Foundation Stage News

Summer Term 2 – Friday 14<sup>th</sup> July 2017

HEALTHY SCHOOLS LONDON

## Song of the week

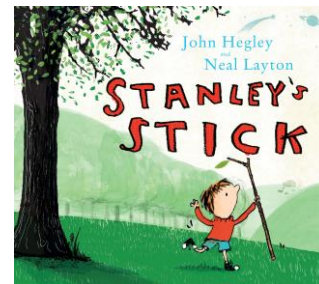

We're all going on a summer holiday  
No more working for a week or two.  
Fun and laughter on our summer holiday,  
No more worries for me or you,  
For a week or two.

***There are 3 verses to this song***

***We hope you enjoy singing this at home with your child!***

## Book of the week

We will be continuing to focus on 'Stanley's Stick'. We all seem to love playing with sticks therefore this should be a great learning experience!

## Religious Education

**We will be continuing to think about the Christian value of Hope. We will create independent prayers of Hope to place on our prayer table. We try to think of others in our prayers.**

## Extras

It is the final week before the summer holidays! Please ensure your child brings home all items on the last day of term, such as spare clothes, coats and water bottles. This is our final Foundation News before September. Wishing you all a safe and enjoyable summer break and thank you for your continued support.

## Next week we will also be...

**Maths** – We will be ordering sticks by length. Can we use mathematical language to describe the length of our sticks?

**Writing** – We will be creating our favourite memories of the year.

**Finger gym** – We will be weaving using natural materials.

Can you collect any natural materials to help us?

**Creative** – We will be creating collage pictures using sticks. We will use I-pads to take pictures of our creations.

**Outdoors** – We will be building dens and making habitats using sticks.

*We will be taking part in a games day on Wednesday. All Reception children will need to come to school in their PE kits and trainers.*
